Colloquium on
Metal Forming**

from
22. - 25. March, 2025
at
Zauchensee
at an altitude of 1350 m

Call for Papers
we are forming the FUTURE...

XLII. Colloquium on Metal Forming

The colloquium is an opportunity to promote the exchange of ideas, knowledge and experiences between university scientists and industry experts. The main topics of the conference include

Advanced Manufacturing
Materials
Simulation

Each presentation will last about twenty five minutes. Afterwards there will be a short discussion. Furthermore, all attendees will get the printed proceedings to all presentations.

However, if you have some more questions they can be discussed during the „happy hour“ following the last session of presentations each day.

If you want to give a presentation and attend the conference, you are kindly invited to come to Zauchensee with us. For further information and the guidelines for the preparation of the paper please visit our homepage under the menu item „EVENT“.

For manuscript preparation, please refer to the **Guidelines for authors** available for download.

Conference venue

The workshop will be held at the conference rooms of Hotel Zauchensee. For detailed travel information and the accommodation please visit www.zauchensee.at

Accommodation

If you need a room, please write a simple email with your contact/booking information with the subject „**Verformungskundliches Kolloquium**“ to the following email address:
zauchensee@walchhofer.at

You will receive all required informations regarding the hotel and a booking confirmation.

Dates and Deadlines

Paper registration until **January 31st, 2025**

Final manuscript until **February 4th, 2025**

Payment of the conference fee **only after you have received an invoice**
